All Chief Engineers, DDA

**Sub: Clarification with respect to Policy for Streamlining of the Procedure and Fee Structure for Temporary Allotment of Open Spaces/Community Halls of the DDA for various functions.**

This is in reference to letters dated 05.12.2019 & 11.12.2019 regarding Clarification with respect to the Policy for Streamlining of the Procedure and Fee Structure for Temporary Allotment of Open Spaces/Community Halls of the DDA for various functions. In this regard it is informed that vide letter dated 11.12.2019, bookings made for religious functions during marriage season stood cancelled. However it is hereby clarified that if the booking of some religious functions stand cancelled due to this order, but the concerned Executive Engineer, DDA verifies that booking has been made in advance & the allottee had already made arrangements to organise the Religious function and it is found that they have been organising similar function in the past also, then the case may be forwarded for relaxation in the order for the approval of VC, DDA

Further for the sites, where Religious Functions are being discontinued, alternative sites for religious functions may be identified by the Engineering Wing. Separate sites for Religious & Social functions are being proposed to avoid misuse of Religious purpose bookings for conducting Social Functions such as Marriage, etc.

This is issued with the approval of Competent Authority.
