- Applicant will fill same Request ID and Mobile Number of e-Conversion Rejection cases only.

Step 4:

- Further, same procedure of filling fresh application will be followed for re-applying i.e. filling Applicant/s and property details, uploading requisite documents and online payment of conversion charges* through IDLI System only.

Salient features of Re-Apply module for e-Conversion Application:

- Adjustment of already paid conversion charges without refunding them.
- Continuation of same Online Conversion application with same user registration details which may halt the multiple application for the same property.

**Difference (excess) of conversion charges (provisional) will be charged for re-applying of rejected e-Conversion case, if conversion charges already paid in the IDLI System.*
